Waaa...

Did we make it back?

Did everyone make it?

Ugh...

Is anyone there...?

Is anyone there...?

Down  
here!!

No...  
wait!

STEP  
BACK

What's your  
relationship  
with my girl...  
with Nani?

REACT

So, is there  
a good reason  
for all this?

I've sort  
of been  
around  
this.

But there was  
an incident where  
part of the human  
world overlapped  
with the spirit  
world.

I think it  
happened  
about  
twenty-  
five years  
ago.

Don't  
ask me.  
What the  
hell is  
this?

...I don't  
know.

A 'dimensional  
merge,' right?

As for what the human world would do it... Well, most people here don't even know the truth.

Apparently, the incident were all human, so the story of the incident wasn't particularly big news in the spirit world.

...So basically, there was a pretty serious accident, but it never ended up getting much attention?

Sounds about right.

The people who were trapped there would be back alive...

The area that had been sealed off was just released recently.

By the way,

And the people there were trapped inside.

There were four people who got caught up in the mix... though no one knows how or why.

Obviously, the situation shouldn't have even been possible, so the guards along the border of the worlds were at a loss for how to handle the situation.

In the end, they decided to release the area for the time being.

Well, Alge, there's still another problem, so matter becomes worse —

Oh—

Oh my god, that sounds horrible.

Master Bagboat here is one of them, right?

They didn't age at all during the period they were gone.

Yeah, that's a good example!

LAST GEN-ERATION PARADOX? PROBABLY THE STORY ABOUT THE BOY WHO SLAVED A TURTLE, AND IT WAS ACTUALLY A FRAUD-SCAM AND HE WENT TO GO LIVE IN THE PALACE!

To put it simply, the affected space's time flows differently.

When in sleeping, it's been twenty-five years.

so for Master Bagboat, it felt like only a few days passed.

Time stopped there.

And, of course, they probably had Powers...

It's unusual enough that they got caught up in this without even knowing about the weird world in the first place.

?

25 years!

After being released.

During solution.

How  
was I  
supposed  
to know  
she'd  
wait  
for  
me...?

...I asked  
you over  
and  
over how  
you  
knew  
my  
little  
girl,  
didn't I?

...YOU  
MEANT  
THAT  
SHE'S  
YOUR  
DAUGHTER?

-WHAT,  
HANS  
CAN!

RATTLE

I can't  
quite  
wrap  
my  
head  
around  
the fact  
that  
woman...  
is my  
little  
girl...

Hans  
was  
only  
one  
when  
I  
got  
involved  
in  
the  
accident.

WHEN  
YOU  
CALLED  
HANS, "MY  
GIRL,"

She  
wants  
the  
world  
to  
end.

Although,

I have  
no  
doubts  
about  
it.  
She's  
definitely  
my  
daughter.

Water Ragsdower's  
daughter doesn't  
know  
about  
the  
spirit  
world,  
so I  
doubt  
she'll  
believe  
us if  
we  
imprisoned  
a  
man  
who  
appears  
to  
be  
the  
same  
age  
as  
her  
as  
her  
own  
father.

We  
can  
offer  
our  
support  
and  
help  
find  
out  
what  
happened  
to  
their  
families  
while  
they  
were  
gone.

But  
that's  
all  
we  
can  
really  
do,  
given  
the  
situation.

The day of the accident was actually Kun's first birthday... That was Kun's favorite character back then...

Were you going to give back to Kun?

Key, by any chance...

In the end, I was so excited when I finally found a place that sold them...

But all they had was that one, which is probably much too big for a one-year-old anyway...

...Is this really happening...?

It's like a nightmare.

We tried again the next day and the day after that...

Though it's not surprising, given her personality.

Will she really recognize him? She didn't even bat an eyelid at a middle-aged man carrying a giant stuffed animal...

I don't...

Would you like to test me out?

Yes, please.

I think... It's about time we all gave up.

And their conversations ended up being all business.

But Mary was too cool and indifferent as usual.

And more we can do.

Not seeing as the spirit world is involved, there's not really...

...I'm sorry to say that what you've all been trying to find,

I got to talk to her... We almost sort of had a conversation last time, do...  
Thank you, Ichinaga.

It's final!

...That's enough.

Wait... We just need a little longer—

to be continued~
